Nurturing the Love Of Learning

Now Enrolling!

**PRIMARY
PROGRAM**

Full Day and Half Day for
Children ages 3 years
to 5 years old

**BEFORE &
AFTER CARE**

Morning 7:15-8:45a and
Afternoon 3:00p-6:00p

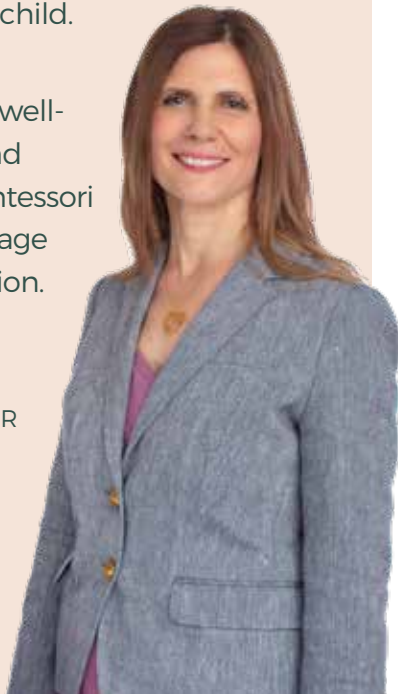

Welcome!

We are an authentic Montessori preschool with experienced and Montessori trained teachers in a loving and nurturing setting. Our goal is to provide the best environment for your child.

We emphasize the emotional and social well-being of your child and provide beautiful Montessori materials that encourage learning and exploration.

Lina Masri
FOUNDER AND DIRECTOR

OUR PRIMARY CLASSROOM

The multi-age classroom (Ages 2.5 years to 6 years) helps children gain skills and independence at their own pace with the guidance of the teacher. The children learn through meaningful activities while the older children act as leaders and role models and help the younger children. There is no limit to the amount of learning that can take place. The children progress through the Montessori curriculum with hands on materials.

WE OFFER:

- » **Five-day or Four-day (Monday-Thursday) programs**
- » **Full and Half-day sessions**
- » **Affordable Before and After care**
- » **Lunch Bunch for morning children**
- » **Music & Yoga classes**

MORNING SCHEDULE

8:45- 9:00	Children are welcomed
9:00-10:30	Montessori work and activities
10:30- 10:45	Circle time (music, stories, themes)
10:45- 11:00	Preparing for outdoor time
11:00- 11:30	Playground
11:30-11:45	Circle time
11:45-12:00	Dismissal

We also offer music, art and physical education.

We like to celebrate birthdays, holidays and special events with the children including Halloween, Thanksgiving, winter holidays, Mother's Day, Father's Day and Graduation.

OUR CURRICULUM

PRACTICAL LIFE

These activities encourage independence and improve fine motor skills, hand-eye coordination, and concentration. The child is attracted to activities that are real and exist in everyday life. With these carefully designed materials the child can sweep, polish, wash, dust, pour, scoop and garden.

The materials refine the senses and develop spatial awareness as well as providing a strong mathematical foundation.

SENSORIAL

MATHEMATICS

The materials for Math introduce the concept of quantity and the symbols for quantity. The child learns how to count and compare. Using a variety of beads and symbol cards the child becomes familiar with the numbers as a decimal system including concrete experiences with the operations of addition, subtraction, and multiplication.

The Montessori child begins reading when he is ready and proceeds at his own pace. The Sandpaper letters provide a phonetic basis for reading. The moveable alphabet allows the child to build words without fatigue. At this age the child is in the sensitive period for language and is fascinated by words. The older children have journals and writing books to develop their writing skills.

LANGUAGE

SCIENCE

We encourage scientific exploration by conducting simple experiments with the child. Our scientific experiments form the basis for the study of biology, botany, geography, as well as physics and chemistry. The children are introduced to History and Geography through learning about the continents and exploring different cultures.

COVID POLICY

OUR HEALTH & SAFETY PLAN:

At Mindful Montessori we will be actively monitoring and following all recommendations by the New Jersey Department of Health.

The safety and health of our students, staff and families is particularly important to us.

- » A small class size.
- » All children will have their temperature taken in the car. If a child has a temperature higher than 100.4, they will immediately be sent home.
- » All staff will have their temperature checked as soon as they arrive.
- » Drop off: parents will be required to drop off their child with a staff member at the door.
- » All non-essential visitors will be significantly limited during school hours.
- » All parents will wear a mask at drop off and pick up.
- » All staff will wear masks inside and outdoors.
- » Children two years and over will be required to wear a mask, except during eating, drinking, and napping. Masks will be worn outside depending on the activity and the ability to social distance.
- » All staff and children will wash hands thoroughly and often throughout the day.
- » Individual supplies such as scissors, pencils, glue, and playdough will be assigned to children.
- » All materials will be disinfected after each use.
- » Cleaning will occur in the classroom multiple times and our cleaning crew will perform nightly cleaning and disinfecting.
- » Any parent, student or staff who tests positive for Covid 19 must notify the school immediately and begin a 14-day quarantine period.
- » If the school has to close, we will transfer to remote learning.
